LOCAL RULE 9 CUSTODY/VISITATION MEDIATION *(Effective 7-1-90, as amended 1-1-04, as amended 7-1-04)*

9.1 COURT'S POLICY ON CHILD CUSTODY ISSUES *(Effective date 7-1-90, as amended 7-1-98)*

It is the policy of this Court to assure the minor child(ren) have frequent and continuing contact with both parents after the parents have separated or dissolved their marriage and to encourage parents to share the rights and responsibilities of child rearing in order to effect this policy.

[Family Code (FC) §3020]

Pursuant to FC §3160, Family Mediation Services will be available in all child custody and visitation disputes. These services will be provided by Butte County Family Court Services and are in lieu of a Family Conciliation Court. *(Effective date 7-1-90, as amended 7-1-98)*

9.2 POLICY: MEDIATION *(Effective 7-1-90, as amended 1-1-01)*

It is the policy of this Court that out-of-court resolution of all issues in family disputes is generally preferable to contested hearings. The rules regarding mediation and the rules regarding meet and confer requirements and settlement conferences are to be construed in light of this policy.

All parties to matters involving child custody or visitation shall be interviewed by a mediator prior to any hearing on the issue of child custody/visitation.

Private sector mediation may be used in lieu of the family mediation services of this Court by agreement of both parties.

If during the mediation process a question arises as to the child(ren)'s immediate well-being, (abuse, neglect or safety) the mediator shall immediately [1] refer the case to Children's Services Division of the Butte County Department of Social Welfare for investigation and report, and [2] notify the Court of the action by memorandum.

When proceedings are for post-judgment modification of child custody or visitation and where both parties no longer reside in the county, the Court may consider transferring the matter to a more appropriate venue on its own motion.

Although the Court does not mandate mediation of family issues other than those related to the child(ren), it is preferred that parties and counsel obtain the services of a private sector mediator for negotiation of all non-child custody and visitation issues which they are unable to otherwise resolve. *(Effective 7-1-90, as amended 1-1-01)*

9.3 DUTIES AND OBLIGATIONS OF THE PARTIES *(Effective 7-1-90, as amended 1-1-01, as amended 7-1-04)*

(a) In all proceedings where there is a contested issue regarding the custody of or visitation with a minor child and the parties are unable to reach an agreement prior to their hearing, the Court will order the parties to attend mediation with Butte County Family Court Services or with an agreed mediation service. In the event the parties have not met with a mediator prior to the hearing, the Court will normally order the parties to schedule a mediation conference and continue the matter until mediation of those issues can be conducted.

0 -

- (b) The purpose of mediation proceedings shall be to reduce hostility which may exist between the parties and to develop an agreement or make recommendation assuring the child(ren)'s close and continuing contact with both parents, if appropriate. The parties shall make a good faith effort to arrive at an agreement through the mediation process.
- (c) Mediation may be available on the day prior to the hearing for parties who have traveled exceptional distances to attend. Prior arrangements for such mediation should be made in such cases to avoid unnecessary travel, or delay of the hearing.
- (d) Parties who do not have a pending family law action before the Superior Court may request mediation from Butte County Family Court Services or an agreed private mediation service.
- (e) In the event parties participate in informal mediation pursuant to 9.3(e) and no agreement is reached, a recommendation will not be made by the mediator. *(Effective 7-1-90, as amended 1-1-01, as amended 7-1-04)*

9.4 CONDUCT OF MEDIATION *(Effective 7-1-90, as amended 1-1-02, as amended 7-1-04)*

- (a) The mediation session(s) with the parties shall be held in private. In all matters in which the mediator who conducted the initial mediation session is asked to testify, or in which a recommendation pursuant to FC §3183 and CRC §5.210(e) is submitted, privilege and confidentiality shall not apply. Any statements or recommendation which may be made by the mediator shall be subject to direct or cross-examination as to the basis of any such statement or recommendation by any of the parties to the proceedings or by the Court.
- (b) If the parties reach agreement during mediation, the mediator shall document in writing the terms of the agreement. A copy of this document shall be submitted to the attorneys and to any unrepresented party. No agreement will be confirmed or otherwise incorporated in an order of the Court unless each party, has affirmed and assented to the agreement in open court or by written stipulation, which shall include the signature of the parties' and counsel of record, if any. An agreement also may be confirmed or incorporated if a party fails to appear at a noticed hearing on the issues involved in the agreement, and has signed the agreement or stipulation.
- (c) The mediator shall have the authority to exclude counsel from participation in the mediation sessions where, at the discretion of the mediator, exclusion of counsel is deemed to be appropriate or necessary. The mediator shall have the duty to assess the needs and interests of the child(ren) involved in the controversy and shall be entitled to interview the child(ren) when the mediator deems such interview appropriate or necessary. The interview of the child(ren) shall not be confidential. The mediator shall summarize the interview in the mediation report. If the child(ren) have appointed counsel in the family law matter, that counsel may be present at the interview with the child(ren) at the discretion of the mediator. Counsel for the child(ren) must be notified of any interviews in sufficient time to allow counsel to be present at the interview, should counsel for the child(ren) chose to do so.
- (d) Pursuant to CRC §5.215(d)(6), Family Court Services shall offer separate mediations in the event of domestic violence allegations. In all other instances, Family Court Services shall have discretion whether to meet with the parties separately.

(e) Telephonic mediations shall be granted only in exceptional circumstances. Either party may request that the Court allow such mediations.

(f) No party or attorney for a party shall initiate contact with a court-appointed mediator or investigator, orally or in writing, to discuss the merits of the case without notice to the other party and an opportunity to be present or to receive a copy of a written communication. Nothing in this rule shall prohibit the court-appointed mediator or investigator from contacting either party or attorney with reference to, or requests for, specific information. This does not preclude the parties from furnishing copies of pleadings to the mediator which are concurrently served on the opposing party or which have already been filed with the court. *(Effective 7-1-90, as amended 1-1-02, as amended 7-1-04)*

9.5 CONTESTED CUSTODY CASES *(Effective date 7-1-90, as amended 1-1-01, as amended 7-1-04)*

(b) TEMPORARY CHILD CUSTODY

1. Prior to the hearing on an Order to Show Cause or Noticed Motion, it is the policy of this Court not to issue an Ex Parte order changing the child(ren)'s principal place of residence or to deny the access of any parent to the child(ren), except under the most extraordinary circumstances.

2. Any application to change the child(ren)'s living situation or to deny access of any person, who has legal right to custody or access to the child(ren), to the child(ren) prior to a full hearing shall include the following:

The mediator may, in appropriate cases,

recommend that mutual restraining orders be issued, that a temporary custody and/or visitation order be entered, and/or that counsel be appointed to represent the involved child(ren). *(Effective date 7-1-90, as amended 1-1-01, as amended 7-1-04)*

9.6 EVALUATION UNDER FAMILY CODE §3111 *(effective date 7-1-90, as amended 1-1-04, as amended 7-1-04)*

The Butte County Superior Court has the discretion to appoint a child custody evaluator to conduct an evaluation in all child custody and visitation matters. The provision set forth in Rule 5.220 of the California Rules of Court and related rules shall be followed.

(a) Any case in which custody or visitation remains in dispute after the completion of mediation and after recommendation may be referred back for an evaluation by Family Court Services or to an agreed upon private evaluator, subject to a Court determination that the appointment of a FC §3111 evaluator would be in the child(ren)'s best interest. The evaluation shall be conducted according to the standards set forth in CRC 5.220. All child custody evaluators must meet the qualifications, training and continuing education requirements specified in Family Code Section 1815, 1816 and 3111 as well as CRC 5.225 and 5.230. Family Court Services shall perform such an evaluation rarely, and only in those cases where there is urgent need and where the parties are indigent. All other cases shall be referred to private custody evaluators. Said referral shall be made by stipulation of the parties, upon noticed motion, upon recommendation of the mediator, or recommender, or on the Court's own motion.

1. In all matters referred for a child custody evaluation, pursuant to this rule, such evaluation shall be completed by a different individual than the one who has conducted a mediation and/or recommendation between the parties.

2. The parties will be ordered, if requested, to pay for any evaluative services consistent with their ability to pay.

A. All written reports pursuant to FC §3111 shall be confidential in nature, and accessible only to the parties, their attorneys and the Court. The report shall be placed in a sealed envelope by the Court and neither the child(ren) nor any individual(s) not a party to the action shall be permitted to read such report or receive copies thereof without an express Order of the Court.

B. Written reports pursuant to FC §3111 shall not be utilized by any person for any purpose other than as set forth in statute, without the express written consent of all parties to the action. This rule does not, however, prohibit its dissemination pursuant to the Special Matter Order pursuant to T.N.G. vs. Superior Court, adopted by this Court and filed March 24, 1994, nor to any party filing a mandated Suspected Child Abuse report concerning the involved minor(s) pursuant to Penal Code (PC) §11166.

3. The following rules shall apply to all custody evaluations undertaken pursuant to FC §3111:

A. Subject to Penal Code §11166, confidentiality of any communications between the involved child(ren) and the evaluator shall be maintained, unless such

is knowingly and intelligently waived by the child(ren), subject to the approval of both the evaluator and counsel representing the child(ren), if any.

B. Any child(ren) seen with one parent must also be seen with the other, unless that parent makes him or herself unavailable.

C. All involved children shall be interviewed separately by the evaluator, unless otherwise determined by the evaluator.

D. No evaluation shall be based upon an interview with only one party.

E. If an evaluation is ordered by the Court, neither parent shall subject the child(ren) to further examination or evaluation by an expert without the approval of the Court or the consent of the other party(ies) to the action and approval of counsel for the child(ren), if any. This does not preclude any counsel for the child(ren) from seeking an independent evaluation of the child(ren) without consent of the other party(ies) to the action, subject to Court approval first obtained.

(b) It is the policy of the Court to resolve disputed custody and visitation issues as soon as possible after an evaluation has been rendered by the Family Court Services or by a private evaluator.

(c) All written evaluations from the Family Court Services or private evaluators made pursuant to FC §3111 shall be served with proof of service upon the parties or their attorneys, pursuant to FC §3111(a). The evaluations shall include a Recommended Order and notice of the procedures contained in (e) below.

(d) Prior to preparation of the written custody evaluation and recommendation, the evaluator may, at his or her discretion, or upon the request of one or both of the parties, schedule a conference with the parties, at which time the proposed recommendation and the reasons therefor will be discussed. In the event the parties can agree at that time, a written agreement will be prepared and, if approved by the parties and counsel (if represented), such will be executed and filed with the Court.

(e) In the event either party objects to the evaluation and recommended order, [s]he shall file with the Court within twenty (20) calendar days a written Notice of Objections, providing endorsed, filed copies to the public agency or private individual preparing same, and the opposing party's attorney of record or the party if unrepresented. The written notice shall state: [1] the specific paragraph(s) and language in the Recommended Order objected to by the party; [2] the reason(s) for the objection(s); and [3] the proposed modification to the Recommended Order.

(f) By a joint letter request the matter can be set on a Tuesday calendar for setting of a judicially supervised settlement conference. Attorneys, the evaluator and the parties shall attend the custody/visitation settlement conference at the scheduled time and place. The following shall be addressed:

1. an attempt to settle all contested custody and visitation issues;
2. the definition of those custody and visitation issues to be tried;

3. determining the amount of time necessary for trial;
4. the setting of the matter on the TRAC calendar [See LR §16.13].

No motion for bifurcation of a custody or visitation issue shall be necessary.

(g) In the event no objections to the proposed order are filed within twenty (20) days, as set forth in Paragraph (e) above, the recommended order previously submitted may be signed and filed as an order of the Court if upon review, the Court finds the Recommended Order to be appropriate and in the best interests of the child(ren) involved.

(h) Trial Setting: If custody and/or visitation issues remain unresolved after the settlement conference, the settlement conference judicial officer shall set the matter on TRAC and the matter will proceed to trial on those issues.

(i) The custody evaluators report is a confidential document and its dissemination shall be limited to the parties, their attorneys and to any custody experts retained by the parties. No other persons, including mental health providers, shall receive a copy absent court order. No party shall discuss the report with the child(ren) except minor's counsel may discuss the report with his/her client.

(j) Peremptory challenges: Peremptory challenges to any evaluator (Family Court Services or private evaluator, or mental health professional) shall be made at the time the evaluator is appointed. Each party shall be entitled to no more than one peremptory challenge [CRC 5.220(d)(1)(A)(ii)]

(k) Complaint Procedure: If a party alleges that an unprofessional or inappropriate act has occurred on the part of the evaluator during the course of the evaluation, he or she should bring that to the attention of the Court through writing a letter to the court or through filing a motion. The Court, in assessing the complaint, will ask the Director of Family Court Services to evaluate the complaint. Upon receipt of the complaint the Director of Family Court Services shall send copies of the complaint to each party. The Director shall report back to the Court in writing, with copies to the parties, within thirty (30) court days of the formal complaint.

The evaluator is considered the Court's witness, and functions at the request and under the guidance of the Court. The Court will determine whether a new evaluator is appointed, and may consult with other professionals in the course of evaluating the evaluator [CRC 5.220(d)(1)(A)(iv)]

(l) Ex-Parte Communications: Neither party may contact the Child Custody Evaluator, directly or through the party's attorney, except regarding procedural matters such as setting appointments.

During the evaluation process, any documents provided to the Child Custody Evaluator shall also be provided to the opposing party at the same time.

The Child Custody Evaluator shall have sole discretion to conduct ex-parte communications with any party, witness, attorney, mediator, counselor, therapist, physician, teacher, law enforcement officer or any other person that the Child Custody Evaluator determines is necessary to complete the evaluation process.

After the evaluation has been completed and the report has been written, the Child Custody Evaluator may communicate with the parties or their attorneys as the Child Custody Evaluator determines. [CRC 5.220(d)(1)(A)(v)]

(m) Withdrawal of Child Custody Evaluator: The Child Custody Evaluator may request to be allowed to withdraw from an evaluation at any stage of the process for the following reasons:

1. Conflict;
2. Nonpayment of fees;
3. Lack of cooperation by a party;
4. Any other significant reason which prevents the Child Custody Evaluator from completing the evaluation.

If the Child Custody Evaluator wishes to be removed from the case, the Child Custody Evaluator shall forward a letter to the Director of Family Court Services specifically stating the reasons for the request. The Director of Family Court Services shall review the letter and forward copies of the request to each party and to the court. The parties shall have twenty (20) days to file a motion challenging the request. If no motion is filed, the court may grant or deny the request for withdrawal and Family Court Services shall notify the Child Custody Evaluator and the parties of the Court's decision. FAXED LETTERS WILL NOT BE ACCEPTED. [CRC 5.220(d)(1)(A)(iii)].

(n) The Court will not receive the FC §3111 (custody investigation) report in evidence unless the evaluator is available for cross-examination or upon stipulation of the parties. *(Effective 7-1-90, as amended 1-1-04, as amended 7-1-04)*

9.7 CALENDAR: TRIALS AFTER MEDIATION *(Effective 7-1-90, as amended 7-1-98, as amended 7-1-04)*

(a) Contested custody/visitation matters are entitled to preferential setting for trial. The custody/visitation issue may be set for settlement conference and trial as soon as the parties have complied with the Court's mediation requirements and a written recommendation has been prepared.

(b) A party desiring to schedule an early trial date on the issue of custody or visitation shall, at the time of filing the At-Issue Memorandum verify by accompanying affidavit or declaration the following:

1. that custody or visitation is contested;
2. that mediation has been unsuccessful;
3. that the parties have completed mediation and that a recommendation has been prepared and is available for the Court if appropriate;
4. that the recommendation is objectionable, in whole or in part (listing the differences with the recommendation item by item or attach any previously filed objections, where appropriate);

5. that another recommendation would better serve the interests of the child(ren) (reciting the proposed alternative recommendation) if appropriate; and,

6. that an early settlement conference and trial date are requested solely on the issue of custody or visitation (and any designated accompanying issues). *(Effective 7-1-90, as amended 7-1-98, as amended 7-1-04)*

9.8 CALENDAR: MOTIONS FOR MODIFICATION *(Effective date 1-1-91, as amended 7-1-04)*

1. Where the party is seeking joint custody, what specific contact with the child(ren) the defaulting party shall have.

2. Where the party is seeking to deny visitation between the child(ren) and the defaulting party, the reason(s) visitation should not be ordered.

(b) In preparing the declaration, the party shall inform the Court when the parties were separated, who has been the primary caretaker of the child(ren) during the past six (6) months and the extent of contact between the child(ren) and the non-caretaker parent during that time. *(Effective date 7-1-90)*

These declarations or affidavits shall contain a history of any other state's involvement with the case. The parties shall provide to the Court properly certified copies of any foreign decrees. Each party shall file a Declaration under the Uniform Child Custody and Jurisdiction Act, Judicial Council Form FL105/GC120.

(b) **HEARINGS.**

1. The parties shall keep Butte County Family Court Services staff informed as to dates of any contested hearing that may require the mediator to testify so that they may plan their schedules accordingly. Normally a confirming letter will suffice for notice.

Mediators shall not be subpoenaed, but will be available to testify upon the request of the parties, counsel or the court.

2. The Court will decide whether and on what conditions it will interview any minor child(ren). The Court may consult with the attorneys, parties or evaluators in reaching this decision. Child(ren) who are the subject(s) of the custody/visitation dispute shall not be in the courtroom without the Court's prior knowledge and consent.

(c) APPOINTMENT OF COUNSEL FOR CHILD(REN).

2. When the Court appoints counsel to represent the child(ren), counsel shall receive a reasonable sum for compensation and expenses, the amount shall be determined by the Court. Such amount shall be paid by the parents in such proportion as the Court deems just. Where the parents are indigent, counsel will be paid pursuant to LR §14.

3. Nothing shall prohibit the mediator from advising the Court that private counsel for the child(ren) should be appointed. *(Effective 7-1-90, as amended 1-1-04, as amended 7-1-04)*

9.12 MEDIATION PURSUANT TO FC §3170 *(Effective 7-1-90, as amended 1-1-04)*

(a) In all matters involving initial mediation of child custody disputes pursuant to FC §3170:

1. The assigned mediator shall have the absolute duty to disclose to both parties any prior or current, personal or professional, contact said mediator may have had with either party or members of their immediate families, and the particulars thereof, as well as any prior or current, personal or social, relationship with the attorney representing either party, if any. The assigned mediator shall also disclose to both parties any other factors which might tend to affect said mediator's professional objectivity. After such disclosures, but prior to the commencement of the mediation session, the parties to the mediation shall be given the opportunity to request a different mediator, and any requests in this regard shall be honored. Only one peremptory challenge per party to the assigned mediator shall be permitted.

2. In the event all professional employees of Family Court Services are disqualified or disqualify themselves pursuant to this rule, the parties shall select a private mediator or evaluator immediately, and such disqualification(s) shall be reported to the Court prior to the time set for hearing. Should the parties be unable to select a private mediator or evaluator, the Court shall make such selection of such private mediator or evaluator. Costs or fees, shall be paid as may be determined by the Court.

(b) In those matters in which a written recommendation pursuant to FC §3183 has been ordered, such recommendation shall be prepared by the Mediation Services staff member who most recently conducted mediation with the parties. No challenges to the assigned professional staff member shall be permitted.

(c) In those matters referred to the Family Court Services for a child custody investigation, report, and recommendation pursuant to FC §3111, such report and recommendation shall be completed by a different individual than the one who has conducted mediation between the parties within the previous twelve (12) months. This provision may be waived by the parties to the action subject to approval of counsel, if any. Such waiver, if entered, shall be either in written form, or stipulated in open court.

(d) Notwithstanding the above provisions, any professional staff member of the Family Court Services may, at any time, recuse him or herself from a given mediation, child custody evaluation, or recommendation if [s]he believes that professional objectivity has been compromised. [FC §3163]

(e) Complaints concerning Family Court Services professional personnel shall be dealt with as follows:

1. Parents, parties and/or attorneys desiring to file a complaint regarding the mediation process or an individual mediator may request a copy of the Family Court Services client Complaint Form prepared by the Administrative Office of the Courts, Family Court Services Office. These forms are available in the Mediation, Court Clerk or Family Law Facilitator's Offices. Subsequent to filing the complaint form, parties may request an interview with the Director of Family Court Services.
2. Within twenty (20) working days after receipt of the written complaint form, the Family Court Services Director will conduct an appropriate investigation of the matter including consultation with the mediator (or employee) and make a written response to the complainant as to an appropriate corrective response, if any. A copy of the response shall be forwarded to the Court Executive Officer.
3. The complainant may appeal the Director's action to the Supervising Family Law Judge, who shall conduct such investigation as he/she deems appropriate. The Judge will respond in writing within sixty (60) days thereafter.

12.1 GENERAL *(Effective 7-1-98, as amended 7-1-99)*

(a) RESERVED

(b) FORM OF PAPERS PRESENTED FOR FILING.

1. It is the duty of the attorney (or the party appearing without an attorney) to prepare and submit the supporting documents and proposed orders for all matters. All such documents shall include the time and date of the hearing, typed under the caption of the front page.

2. If a Judicial Council form is available for the particular form of relief sought, that form shall be used. The form is to be used in the same format as prescribed and printed by the Judicial Council (i.e. printed in a rolled format so that the reverse side of the document can be read by “rolling” the form as opposed to turning it over). Only current Judicial Council forms are acceptable for filing.

3. A proposed form of order is to be submitted with each petition or motion for relief. Any petition or motion filed without such proposed form of order will not be calendared for hearing until such time as the proposed form of order is submitted.

(c) PROCEDURES FOR EX PARTE MATTERS

1. If the ex parte matter is contested or there is a need to converse with the Court, the petition shall so specify. If necessary, the Clerk will contact the attorney of record so the matter can be added to the next available calendar for hearing.

(a) All applications for ex parte orders must contain a list of any and all requests for special notice which have been filed in the proceedings or contain an allegation that no special notice has been requested. If any such notice has been requested, a waiver must accompany the petition.

(b) If it is reasonably likely there will be a dispute or contest as evidenced by documents on file in the proceeding, then all parties must be notified pursuant to California Rule of Court §379 of the time and place where the application for the ex parte order will be made. Proof by the attorney’s declaration of such notification shall accompany the petition.

2. For good cause, the Court may require a noticed hearing before approval of any matter. *(Effective 7-1-98, as amended 7-1-99)*

12.2 BOND OF PERSONAL REPRESENTATIVE

(a) AMOUNT OF BOND.

1. Unless the requirements of Prob. §8481 are met, a bond will be required of every person appointed as a personal representative. As a general policy, the Court will require at least a \$10,000 minimum bond even if the value of the estate is less than \$10,000.

2. A petition to appoint a personal representative should set forth the estimated value of real property, personal property, and the estimated annual income from all property.

3. If the estimated value of the assets of the estate is not known at the time of the filing of the petition for appointment, ordinarily the personal representative must appear at the hearing to testify as to the estimated value of estate assets.

4. If written waivers are attached to the petition, bond will ordinarily be waived by the Court pursuant to Prob. §8481, provided all heirs or beneficiaries are competent to act. If any such persons are incompetent (e.g., minors), an appropriate representative must waive bond on their behalf.

(b) METHODS OF REDUCING BOND.

1. There are three basic methods for obtaining a reduction of bond.

A. The first is to deposit or invest a specified amount of assets before the order of appointment is made, obtain a receipt and agreement to hold the assets in a blocked account, and offer the receipt and agreement in evidence when the petition for appointment comes on for hearing. The facts upon which the reduced bond is sought should be set forth, either in the original petition for appointment or in a separate petition to be heard simultaneously.

B. The second is to obtain in the order appointing the representative, a provision that if assets are deposited or invested in blocked accounts the bond may be fixed in a reduced amount. A receipt for the deposit must be obtained from the depositary and filed with the Clerk. The Clerk is then authorized to issue letters upon the filing of a bond in the reduced amount.

C. The third is to obtain a reduction of bond after the representative has qualified and entered upon the administration of the estate. If a deposit and reduction in the amount of the bond is anticipated, this may be covered in the original order of appointment; if not, a subsequent petition should be filed. It is often convenient to present this petition with the first annual account. Petitions to decrease bond are subject to a hearing with notice given to all heirs or beneficiaries.

2. LIMITATION OF AMOUNT ON DEPOSIT WITH ONE FINANCIAL INSTITUTION: Monies in blocked accounts shall not exceed the limit of Federal Deposit Insurance Corporation insurance for each individual bank or savings and loan association. The attorney shall immediately file an ex parte petition for an order authorizing establishment of additional blocked accounts into which funds exceeding the insurance limit shall be deposited.

3. CORPORATE AND INDIVIDUAL EXECUTORS: A corporate executor cannot assume responsibility for the acts of individual co-executors. Individual executors must provide bond as required by law. If a deposit is made under the provisions of Prob. §8483 to reduce bond, it must be made jointly by the corporate and individual co-executors.

4. BOND OF NONRESIDENT PERSONAL REPRESENTATIVE. A personal representative who is a nonresident of California and who is nominated to serve without bond may nevertheless be required to post such bond as the Court may require. Ordinarily, the amount of the bond will be the minimum bond in effect in Butte County which is currently \$10,000.

However, in the Court's discretion, the maximum amount may be imposed, which is the value of the personal and real property, plus the amount of estimated income for one year for both the personal and real property. This rule applies even if there are co-executors and one or more are California residents. In the case of a personal representative who is also the sole beneficiary, the same rule applies for the protection of potential creditors.

5. **MULTIPLE REPRESENTATIVES.** When multiple representatives are appointed by an order which directs that "letters shall issue to them", the Clerk will not allow less than all to qualify and have letters issued separately. If qualification of less than all is desired, it must be so provided in the order of appointment.

6. **DISTRIBUTEES' BOND.** This Rule addresses the bond required by a personal representative to administer an estate. In certain circumstances, such as a preliminary distribution, a bond may be required of the distributee. (See Prob. §11622) (*Effective date 7-1-98*)

12.3 SALES BY PERSONAL REPRESENTATIVES

(a) SALES OF REAL PROPERTY - APPRAISAL WITHIN ONE YEAR. .

1. Probate Code §10309 requires that real property to be sold in an estate proceeding must be appraised within one year prior to the date of the court confirmation hearing. Probate Code §8802 requires that the first appraisal of all property be as of the date of death. All appraisals must reflect the fair market value of the property.

2. When the date of the confirmation hearing is more than one year after date of death, a reappraisal for sale (on the Judicial Council form) must be filed with the Court before the confirmation hearing can proceed. Reappraisals must be made by the probate referee unless appointment of the referee has been waived by the Court.

3. The following phrases should be inserted in the reappraisal for sale immediately after the legal description of the real property:

Appraised as of date of death

[insert month, day and year] \$ _____

Appraised as of [insert CURRENT

month, day and year] \$ _____

4. The sum offered for the property must be at least 90 percent (90%) of the appraised value of the property within one year prior to the confirmation hearing. (Prob. §10309)

(b) BOND ON SALE OF REAL PROPERTY. .

1. Petitions for confirmation of sale of real property shall set forth the amount of bond in force at the time of the sale and the amount of property in the estate which is required to be covered by a bond. (See Prob. §8482) If no additional bond is required or if bond is waived, that fact should be alleged in the petition.

2. Personal representatives subject to a bonding requirement who have full authority under The Independent Administration of Estates Act shall post their initial bond upon qualification in an amount sufficient to cover all personal property, income for one year from all sources, and the estimated proceeds of the sale of the real property. (See Prob. §10453)

(c) **BROKERS' COMMISSION ON SALE OF REAL PROPERTY. .**

1. Improved Property: Upon the confirmation of sale of improved real property, the Court ordinarily will allow a broker's commission not to exceed six percent (6%), or such lesser percentage as has been negotiated between the personal representative and the broker subject to net sale amount.

2. Unimproved Property: A broker's commission not exceeding ten percent (10%) of the first twenty thousand dollars (\$20,000.00), eight percent (8%) of the next thirty thousand dollars (30,000) and five percent (5%) of the balance of the sales price, ordinarily will be allowed for the sale of unimproved real property. The Court will determine, in each instance, whether property is "unimproved property".

3. Agents or brokers bidding or overbidding on their own behalf or on behalf of an entity of which they are part owner will not be allowed a commission. (Prob. § 10160.5)

4. The Court will not consider whether a broker is employed when receiving overbids.

5. Divisions of Commissions. Counsel is referred to Prob. §§10160 et seq.

(d) **CASH DEPOSIT TO ACCOMPANY BID ON REAL PROPERTY. .**

1. Bids for the purchase of real property shall be accompanied by a minimum of ten percent (10%) of the amount of bid. When an overbid is made in court, the bidder shall submit cash, money order or certified check at the time of the hearing in the amount of ten percent (10%) of the minimum overbid. (The minimum overbid is an increase over the bid returned to the Court by ten percent (10%) of the first ten thousand dollars (\$10,000) and five percent (5%) of the balance of the sales price.) Overbids shall be in accordance with Prob. §10311.

2. At the request of the attorney for the estate selling the real property, or on the Court's own motion if good cause exists, the Court may relax the requirements set forth above. The petition for confirmation of sale or the request made in open Court should state the reasons for the lower deposit (e.g., all-cash financing by the Veteran's Administration, or by Cal-Vet or by some other governmental agency.)

(e) **NOTICE OF SALE OF PROPERTY SOLD.** Notices and returns of sale should provide a common as well as a legal description of the property sold, as well as the Assessor's Parcel Number.

(f) **TERMS TO BE STATED IN NOTICE OF SALE OF REAL PROPERTY.**

1. Counsel should use extra care in wording of the published notice of sale. If the property is being sold subject to an encumbrance, the notice should so state. (See *Mains v. City Title Insurance Co.*, 34 Cal.2d 580 (1949)) It is advisable that the notice call for "[c]ash or cash and such credit terms and conditions as the Court may approve."

2. The terms of the sale shall be consistent with the terms stated in the notice.

(g) DISCLOSURE OF EXTRAORDINARY COSTS ON SALE OF REAL PROPERTY.

1. The petition shall include a full disclosure of all extraordinary costs which the estate will incur as a result of the sale. Such costs include, but are not limited to, termite and other repairs, lender's "point," loan fees and nonrecurring closing costs. The exact amounts required or the maximum which the estate will be required to pay shall be disclosed in the petition and included in the order.

2. Extraordinary costs will be deducted from the gross bid, and the resultant "net" will be used for the following purposes:

- A. Determination if the sale is within ninety percent (90%) of appraised value;
- B. The base figure against which overbids are made; and
- C. The real estate broker's commission.

The above amounts shall be set forth in an attachment to the petition.

(h) NOTICE OF CONFIRMATION HEARING. In addition to the requirements of notice contained in Prob. §10308(c), notice of the Court hearing for confirmation of a sale of real property shall be mailed at least fifteen (15) days prior to the hearing date to all heirs and beneficiaries who may have an interest in the subject real property.

(i) APPEARANCE BY BIDDER. Counsel should advise the original bidder, together with any potential bidders and their representatives, to be in Court at the time the petition for confirmation of sale is heard.

(j) EXCLUSIVE LISTINGS. .

1. Personal representatives with authority to administer the estate under the Independent Administration of Estates Act need not obtain a Court order to enter into an exclusive listing for real property.

2. Personal representatives who determine it is necessary or advantageous to seek such a Court order shall observe the following:

A. Such petitions shall be granted only where a clear showing of necessity and advantage to the estate is made. Ordinarily, these petitions will be granted ex parte. Facts indicating necessity and advantage might include: past unsuccessful exposure, condition of the property and/or neighborhood, out-of-country residence of personal representative, or a contract which pre-dates the establishment of the court proceeding.

B. The petition and proposed order shall also include the name of the broker, address of the property, the fact that the Court sets commissions and that they are payable only if the sale is confirmed, and that all commissions are payable in accordance with Prob. §10160 et seq. The duration of the contract must be specified. Ordinarily, the Court will not approve a term exceeding ninety (90) days.

C. A copy of the listing agreement should be submitted with the petition. The listing agreement must conform to the conditions set forth above and shall further set forth in detail the obligations and duties of the broker, including but not limited to the requirement to list on Multiple Listing Service(s), place signs and advertise in newspaper[s].

D. Extensions of listing agreements shall follow the above procedures.

(k) SALES OF PERISHABLE OR DEPRECIATING PROPERTY. If the Estate contains perishable or depreciating property, it should be disposed of promptly. If there has been an unreasonable delay in disposing of perishable or depreciating property, the Court may hold the personal representative accountable for the decreased value of the property.

(l) SALE OF PROPERTY SPECIFICALLY DEVISED OR BEQUEATHED. . On a sale of property specifically devised or bequeathed, either notice of the time and place of the hearing of the return of sale shall be given to the specific devisee or legatee, or the consent of such devisee or legatee to such sale shall be filed with the Court.

(m) SALE OF SECURITIES

1. Subject to Order of Court.

A. A verified petition for authorization of sale of stocks, bonds or other securities described in Prob. §10200 must contain an allegation regarding any request for special notice and compliance with such request and one or more of the following:

- (1) Statement as to necessity for sale, giving reasons, i.e., taxes, expenses of administration, indivisible number of shares, etc.
- (2) Consent or request of heirs; if the securities are specifically bequeathed, the petition should so allege and the written consent of the legatee should be filed.
- (3) An allegation that a power of sale is conferred by the will.

B. If Securities are not listed on an established stock or bond exchange, they may be sold at a minimum price per share or bond, based on a recent market quotation, set forth in the petition. The market quotation may be obtained from financial publications or from securities brokers. If such securities are “closely held,” or there are no recent market quotations available, the petition should set forth the basis for fixing the minimum sales price (e.g., inventory and appraisal value).

2. Subject to Independent Administration of Estates Act (Prob. §§10400 et seq.)

A. A personal representative with authority to administer the estate under The Independent Administration of Estates Act may sell securities listed on an established stock or bond exchange and other assets referred to in Prob. §10537, when sold for cash, without court order. The sale shall be reported in the account and report filed by the personal representative.

B. Notwithstanding the above, real or personal property may be sold in accordance with the provisions of Prob. §10400 et seq.; provided, however, that

any person objecting to a proposed action under Prob. §10400 et seq. shall give notice to the personal representative at least forty-eight (48) hours in advance if he or she petitions the Court for an order restraining such sale, and the petitioner must show good cause. *(Effective date 7-1-98)*

12.4 COMPENSATION OF PERSONAL REPRESENTATIVES AND THEIR ATTORNEYS

(a) COMMISSIONS AND FEES MUST BE FIXED BY COURT

1. There is no authority for payment of any commissions or fees in advance of the court authorizing such payment. Where commissions or fees are paid in advance of court authorization, at the time of the accounting or other request for approval of compensation, the Court ordinarily will require an appearance by counsel or declaration stating the reasons therefore. The Court may require the personal representative or the attorney respectively to pay interest at the applicable legal rate from the date of payment to the date of the order authorizing the same, or may impose a surcharge, or may impose both interest and a surcharge.

2. When requests for fees are for services performed, the detail must reflect that time which was spent by the attorney, that spent by a paralegal, and that spent by a secretary. For each such person performing services for which compensation is being requested, the hourly rate charged for each such person or classification is to be set forth. The qualifications of a “paralegal” are to be set forth whenever fees are requested for services performed by a paralegal.

3. All contingency fee contracts to which the personal representative is a party, shall be submitted to the Court in advance for approval. A copy of the contingency fee contract shall be attached to the petition requesting approval.

(b) COMPENSATION FOR EXTRAORDINARY SERVICES

1. Application for compensation for extraordinary services must include detail of what was done, and how much time was spent by whom, in performing services for the ordinary fee. Under ordinary circumstances, extraordinary fees will not be awarded where the time spent in ordinary representation, plus the time spent in performing the extra ordinary services, does not exceed the statutory fee for the estate.

2. Applications for fees or commissions for extraordinary services shall be accompanied by a complete statement of facts upon which such application is based and shall specify the amount requested for each item of service, not merely a “reasonable amount.” The services claimed to be extraordinary shall be described in detail, including dates, time spent, necessity for the work, complexity of legal and/or factual issues and results accomplished. Submission of itemized time sheets by themselves will ordinarily not be sufficient to establish a claim for extraordinary services. Each specific area or item of extraordinary service should be segregated into different categories, such as litigation, sale of real property (or where applicable two categories for two sales of real property), preparation of federal estate tax return, other tax work, etc. Where applicable,

each category of extraordinary service should be segregated into subcategories such as correspondence, discovery, settlement discussions, trial proceedings, etc. For each category of service, specify the total number of hours spent by each attorney or paralegal and specify the hourly rate of each individual and provide some description of the experience and expertise of each individual providing extraordinary service. All information should be provided in a declaration or declarations under penalty of perjury.

3. Compensation for extraordinary services ordinarily will not be approved before the final accounting except in cases where it is shown to the Court's satisfaction that the estate or heirs will benefit, e.g., where it would be beneficial to reduce income taxes in a given fiscal period, or where ongoing litigation precludes presentation of a final accounting and attorneys must be retained or compensated to represent the estate in ongoing litigation. The Court ordinarily will allow extraordinary compensation for representing the estate in litigation outside of the regular administration of the estate upon a properly noticed petition upon completion of the service. Upon a proper showing, the Court may authorize progress payments prior to completion. Where the attorney or personal representative requesting a progress payment prior to completion of extraordinary work believes that public disclosure of the information required by subparagraph 2 immediately above may adversely affect the estate's interest in ongoing litigation, the petitioner may include an allegation in the petition stating why the detailed information has been deleted from the petition and that said detailed information is concurrently being filed with the Court in a sealed envelope with a request for an in camera inspection. If it is shown to the satisfaction of the Court that said detailed information may adversely affect the estate's interest in ongoing litigation, the Court will ordinarily order that the matter remain under seal until the resolution or termination of the ongoing litigation.

4. Extraordinary compensation and costs of a will contest before probate, a petition to revoke a will after probate, and/or a petition to determine persons entitled to distribution from the estate will not be allowed from the estate unless it is shown to the Court's satisfaction that the personal representative was under a legal obligation to defend or prosecute such contest or proceeding or that the heirs and beneficiaries received a benefit so that on distribution they bear the compensation and costs in proportion to their distributive shares. (See *Estate of Pryor* 51 Cal.App.2d 735 (1942))

5. When evaluating a request for extraordinary compensation, the Court may consider whether the statutory compensation is sufficient to compensate adequately for all services that have been rendered and may request a declaration of the attorney or the personal representative substantiating all services required.

(c) **EXPENSES OF ACCOUNTING MAY BE DEDUCTED FROM THE PERSONAL REPRESENTATIVE'S STATUTORY COMPENSATION.** The personal representative may employ tax counsel, tax auditors, accountants, or other tax experts for the preparation of tax returns and for the other tax-related services. To the extent that the personal representative utilizes the services of such counsel, auditors, accountants, or other experts to perform ordinary accounting and bookkeeping services, including the preparation of the schedules for court accountings and pays for such services from the funds of the estate, the Court may deduct any such sums so paid from the funds of the estate from the personal representative's statutory commission. (*Effective date 7-1-98*)

12.6 RESERVED *(Effective 7-1-98)*

12.7 PRELIMINARY AND FINAL DISTRIBUTION *(Effective 7-1-98, as amended 7-1-02)*

(a) FORMS OF DECREES. A decree of distribution shall be drawn so that the full extent of the decree may be determined without reference to the petition on which it is based or to other documents, such as to the decedent's will. If the distribution includes any interest in real property, the legal description shall be included in the body of the decree or in an attachment incorporated by reference.

(b) DISTRIBUTION TO MINORS OF CASH UP TO \$20,000.00.

1. Court policy requires that any cash distributed to a minor be placed in a blocked account at a bank or savings and loan association. Withdrawals from such account shall be allowed only pursuant to a court order. Before the Court will order such a distribution under Prob. §3401, the written assurance required under §3401(c)(2) must be filed with the Court. [See Judicial Council Forms MC 355 & MC 356]

2. The personal representative shall file a receipt acknowledged by the financial institution indicating the deposit of cash into a blocked account.

3. Ordinarily, withdrawals requested during minority may be obtained ex parte upon a showing of good cause. The Court will treat all such requests in a conservative manner in order to preserve the funds for the minor's use upon reaching majority.

4. When the minor reaches age eighteen (18), ex parte application may be made to the Court for an order to release the funds directly to the beneficiary. A certified copy of the birth certificate shall be attached to the petition.

5. In the absence of a guardianship, the estate action number may be used for the filing of documents pertaining to the assets distributed under this section. *(Effective 7-1-98, as amended 7-1-02)*

(b) COURT INVESTIGATOR *(Effective date 7-1-98, as amended 1-1-03)*

1. In all cases, the petitioner or his or her attorney must submit a completed Court Investigator Information Sheet to the Office of the Court Investigator at least forty (40) days prior to the hearing for appointment. This sheet shall be left with the Clerk's Office at the time of the filing of the petition for appointment of a conservator.

2. The provisions of the Probate Code concerning the duties of the Court Investigator apply whether or not the proposed conservatee is the petitioner, [contrary to Probate Code §1826(o).]

3. The Court Investigator must be informed immediately of any change of address for the conservatee, the conservator or any attorney of record. This may be accomplished by submitting a new Court Investigator Information Sheet.
4. After filing, the Court's file will be submitted to the Court Investigator for his use.
5. Assessment for the cost of the Court Investigator's investigation shall be paid as ordered by the Court. Prob. §1851.5 permits the county to waive or defer such fee in case of hardship. Assessments will be billed to the estate or, where applicable, to a trust where the conservatee is a beneficiary. Conservator shall provide the Court Investigator's Office with the current address of the trustee of any such trust.
6. Assessments shall be paid to the Central Collections Department.
7. Original plus one copy required of the following at the time of filing for use by the Court Investigator: Petition for Appointment, Confidential Supplemental Information, Confidential Screening, Court Investigator's Information Sheet, doctor reports and Accountings.

(c) TEMPORARY CONSERVATORSHIP.

1. Ordinarily, no petition for appointment of a temporary conservator will be considered by the Court prior to the filing of a petition for appointment of a permanent conservator.
2. The petition for appointment of a temporary conservator may be brought ex parte, provided that the provisions for notice to proposed conservatee required by law are satisfied, either by giving notice to the proposed conservatee or by submission of a declaration showing facts sufficient to allow the Court to determine that good cause exists to eliminate or alter the notice requirements and provided that the following information is submitted:
 - A. The original and copy of the petition and proposed order;
 - B. A detailed statement of facts in the petition establishing the necessity for the temporary conservatorship; and
 - C. An endorsed, filed copy of the petition for appointment of the permanent conservator.
 - D. If the attorney is informed that the petition for appointment of a permanent conservator will be contested, all known potential objectors shall be notified at least forty-eight (48) hours in advance of the time and place the petition for appointment of the temporary conservator will be presented. However, if facts are found which make it clear that the notice required by this section would tend to adversely affect the conservatee or the conservatee's estate, notice to potential objectors may be waived upon a showing of exigent circumstances.
3. Ordinarily, the Court will require a bond for temporary conservators of the estate.
4. Letters of temporary conservatorship expire on the date of the hearing on the appointment of the permanent conservator or thirty (30) days after appointment of the temporary conservator, whichever is earlier, unless the Court extends the termination date pursuant to Prob. §2257.

(d) **INDEPENDENT EXERCISE OF POWERS.** No powers specified in Prob. §2591 will be granted in the absence of a clear and convincing factual showing that the grant of each power requested is needed to administer the estate, and that the grant of such power is for the advantage, benefit and best interests of the estate.

(e) **CONDITIONS FOR APPOINTMENT OF INDIVIDUAL CONSERVATORS.**

1. **BOND OF CONSERVATOR.** Bond for an individual conservator of the estate shall not be waived. Under special circumstances, the Court in its discretion may order a reduced bond where the conservatee, having sufficient capacity to do so, has waived or requested bond amount. Bond of the conservator may be reduced by deposit of assets into block accounts.

2. **HANDBOOK.** Prior to the hearing for appointment of conservator, the proposed conservator shall purchase the “Handbook For Conservators” along with the “Local Supplement to Handbook For Conservators” at the Clerk’s Office.

3. **DUTIES OF CONSERVATOR.** A completed form “Duties of Conservator” and “Confidential Conservator Screening Form” (JC Form GC348 and GC314) shall be filed simultaneously with the petition for appointment.

(f) **ALLOWANCE OF FEES IN CONSERVATORSHIP PROCEEDINGS.**

1. No fees will be ordered paid in conservatorship proceedings until the filing of the inventory, but in no event until the expiration of ninety (90) days from the issuance of letters, pursuant to Prob. §§2640-2642.

2. Conservators of persons or estates or both and attorneys may petition the Court for just and reasonable compensation earned to the date of filing the petition. The petition for compensation shall set forth the hours spent and services performed by the conservator, the attorney and any paralegal. At the time of filing the first accounting, the conservator and attorney (and the attorney on behalf of the paralegal) may petition the Court for compensation, or additional compensation earned from the date of a prior award, by setting forth the hours spent and the services performed. Ordinarily, reasonable compensation for conservators shall not exceed thirty dollars (\$30) per hour.

3. Fees for services which could ordinarily be provided by someone of less skill than the conservator (such as running errands, shopping and the like) will be compensated at a rate which one might expect for the performance of such duties rather than at a rate which might be appropriately paid to the Conservator for services which require the skill, training and expertise of a conservator.

A. In the event the attorney for a conservator performs some of the administrative and bookkeeping functions normally performed by the conservator, the attorney may be awarded a larger amount of the combined fees and the conservator allowed a smaller portion thereof so that the total compensation awarded is no larger than that provided for under the guidelines set forth above.

4. Where all or a portion of the fee awarded exceeds cash on hand in the estate, the Court may, in appropriate circumstances, issue its order imposing a lien for fees on any or all of the assets in the estate. Ordinarily, enforcement of the lien will be deferred until

the assets of the estate subject to the lien have been liquidated for reasons other than the satisfaction of the unpaid fee.

5. To be valid, contingent fee contracts with an attorney require prior court approval. It is advisable for the attorney to petition the Court for its approval prior to rendering services.

6. The title of the petition embodying an application for the payment of fees and of the notice of hearing of such petition shall include a reference to the request.

7. Compensation to an attorney representing a conservatee may be ordered at the conclusion of the hearing on the appointment of the conservator.

(g) PRIVATE PROFESSIONAL CONSERVATORS.

1. REGISTRATION. All parties who fit the definition of a Private Professional Conservator as described in Prob. §2341 must register with the Clerk's Office. Contact the Clerk's Office for the current fee. One set of fingerprint cards and a Certificate of Registration of Private Professional Conservator are required when registering.

(h) APPOINTMENT OF LEGAL COUNSEL. Appointment of legal counsel pursuant to Prob. §§1470 and 1471 is made in the following manner:

A. If the conservatee or proposed conservatee is developmentally disabled or indigent, the Butte County Public Defender is appointed;

B. If the conservatee or proposed conservatee is not indigent, [1] Legal Assistance for Seniors is appointed if the conservatee or proposed conservatee is over the age of sixty (60) years, or [2] if under the age of sixty (60), an attorney's name is obtained through the Court list of attorneys available for appointment.

If a conservatee or proposed conservatee has retained legal counsel independently, the representation is subject to approval by the Court. *(Effective date 7-1-98, as amended 1-1-03)*

16.5 RESTRAINING ORDERS, ORDER SHORTENING TIME/EX PARTE ORDERS *(Effective date 7-1-90, as amended 01-01-04, as amended 7-1-04)*

(a) **CONTESTED REQUESTS FOR TRO'S.** The Court will not, except upon a clear showing of necessity made by affidavit or declaration, issue ex parte orders in a domestic violence, civil harassment, uniform parentage or dissolution action without notice to the opposing party or counsel that a hearing may be held to oppose the application for temporary restraining orders and the process to oppose. Moving papers must be filed by 11:00 a.m. in order to have a hearing at 3:00 p.m. that day.

(b) Absent showing good cause, the time periods of California Rule of Court 379 will govern notice requirements. If good cause is shown, notice shall be given no later than 11:00 a.m. the

day relief is sought. The opposing party may request such a hearing by contacting the Court Clerk's office at (530) 532-7008 by 1:00 p.m. on the date the application is filed. Hearings will be scheduled for 3:00 p.m. that same day, or as soon thereafter as they may be called. If the Clerk's Office does not receive a request for a hearing from the opposing party by 1:00 p.m., the ex parte application for temporary restraining order will be submitted to a Judicial Officer for review and issuance of appropriate orders, if any. The moving party may contact the Clerk's office after 2:00 p.m. to inquire whether the opposing party has contacted the Clerk and requested a hearing to oppose the temporary restraining order and what time the moving party will have to appear at such a hearing.

In every case where an ex parte order is being requested, a declaration in the format set forth in form RUL16-FL.010 shall be filed.

COMMENT: It is preferable to obtain an order shortening time for an early hearing.

(c) SUPPORTING DECLARATIONS - REQUESTS FOR TEMPORARY ORDERS & ORDER SHORTENING TIME.

1. EX PARTE ORDERS: TEMPORARY ORDERS. All requests for temporary orders in domestic violence, civil harassment, paternity or dissolution action must include a declaration setting forth the reasons why an order shortening time for service and/or hearing will not suffice in lieu of an ex parte order pending hearing. [See RUL-16-FL-.010]

A. EX PARTE ORDERS AFFECTING CUSTODY AND VISITATION Ex parte requests for modification of existing custody and visitation orders or for custody and visitation orders will not issue absent a clear showing of risk of immediate harm to the child(ren), or immediate risk the child(ren) will be removed from the State of California. The showing must be made by affidavit or declaration and shall include a full, detailed description of the most recent incident(s) of physical harm, threats of harm or threats to remove the child(ren) from the state and must specify the date of each incident. There is an absolute duty to advise the Court, in the supporting declaration, what the existing custody and visitation arrangement is and how it will be changed by the requested ex parte order. Further, if there is an existing Court order relative to child custody and visitation, the date of and provisions of that order must be set forth as part of the supporting declaration.

B. EX PARTE ORDERS; RESIDENCE EXCLUSION. Ex parte requests for an order excluding the other party or parties from the family residence or common dwelling of the parties will not issue absent a clear showing by declaration or affidavit, that the moving party: [1] has a right, under color of law, to possession of the premises; [2] that the party to be excluded has assaulted or threatens to assault the moving party or anyone under the moving party's care, custody and control, or a minor child of the parties (include the date of each occurrence), and [3] that unless the order to exclude is made, future physical or emotional harm would result to the moving party or persons in his/her care, custody and control.

C. EX PARTE ORDERS: TEMPORARY CONTROL OF PROPERTY. Ex parte requests for temporary use and possession of real or personal property must

be supported by an affidavit or declaration clearly setting forth the moving party's need for such items, what hardship, if any, granting such an order will have on the other party and must include the status quo as to the use and possession of the subject property.

2. ORDER SHORTENING TIME. No request for ex parte order shortening time shall be submitted without a supporting declaration setting forth specific facts to support the need to shorten time for service and/or the hearing.

(d) Ex parte orders are rarely granted without giving the opposing party an opportunity to be heard because the temptation to indulge in unrestrained exaggeration is ever-present. Concealment of relevant facts is a danger. Accordingly, attorneys, parties and persons employed to type pleadings ("typing services") shall adhere to the highest standards of total honesty and full disclosure in preparing the declarations in support of ex parte orders.

(e) See Local Rule 19 for Domestic Violence Coordination Rules and Issuance and Enforcement of Restraining Orders rules. *(Effective date 7-1-90, as amended 01-01-04, as amended 7-1-04)*

- (3) If the parties are unable to resolve issues with the assistance of the Family Law Facilitator, prior to or at the hearing, and at the request of the Court, the Family Law Facilitator shall review the paperwork, examine documents, prepare support schedules, and advise the judge whether the matter is ready to proceed.
- (4) Assisting the clerk in maintaining records.

16.7 COMPLAINT PROCESS – FAMILY LAW FACILITATOR *(Effective date 7-1-03, renumbered 1-1-04)*

(A) Complaints concerning the Family Law Facilitator shall be dealt with as follows:

(1) Parents, parties and/or attorneys who wish to file a complaint regarding the services provided by the Office of the Family Law Facilitator may request a copy of the Family Law Facilitator Customer Complaint Form. These forms are available in the Family and Children Services Division, Court Clerk or Family Law Facilitator's Offices.

(2) Within five (5) working days of receipt, the complaint will be reviewed by the Administrator of the Family & Children Services Division. Upon conclusion of the investigation, a written response, including any appropriate corrective measures to be taken, will be mailed to the complainant.

(3) Complaints not specifically concerning the Facilitator will be investigated by the Administrator of the Family & Children Services Division within (30) of receipt and a written response will be mailed to the complainant. A copy of the response will be forwarded to the Court Executive Officer. *(Effective date 7-1-03, renumbered 1-1-04)*

16.8 LENGTHY MATTERS *(Effective date 7-1-90, as amended 7-1-98, renumbered 1-1-04)*

Upon the calling of the Family Law calendar, should it appear that more than twenty (20) minutes will be required for hearing of a matter and counsel has notified opposing counsel or party twenty-four (24) hours in advance, the Family Law Judge may set the matter on the next available TRAC calendar (See Local Rule §16.13). If the moving or responding party contends that the matter will require more than twenty (20) minutes, and has made sufficient offer of proof or has filed a request for live testimony, the Family Law Judge shall set the matter to the next available TRAC calendar. *(Effective date 7-1-90, as amended 7-1-98, renumbered 1-1-04)*

16.9 MEET AND CONFER REQUIREMENT *(Effective date 7-1-90, renumbered 1-1-04, as amended 7-1-04)*

No case on the Family Law calendar will be heard unless and until counsel and the parties have conferred in an effort to resolve all issues. All documentary evidence that is to be relied on for proof of any material fact shall be exchanged by counsel while conferring. Failure to meet and confer or exchange documents may result in the matter being dropped from the calendar, continued, or the Court may order other appropriate sanctions.

(a) The meet and confer requirement is to be initiated by the moving party and/or the moving party's attorney. The meet and confer may be by telephone and shall occur prior to the day of the hearing, unless served or the attorney is retained the day prior to the hearing. *(Effective date 7-1-90, renumbered 1-1-04, as amended 7-1-04)*

16.10 EVIDENCE AT HEARING – OSC (SHORT CAUSE OR CONTEMPT) *(Effective date 7-1-90, as amended 1-1-04, renumbered 1-1-04)*

(a) **ORDER TO SHOW CAUSE HEARING.** Evidence received at an OSC hearing and Family Law and Motion matters shall be pursuant to CRC 323. The Judges recommend review of this rule by all counsel and parties prior to filing their moving and responding papers. [Those rules provide, in part, that evidence at said hearing shall be by declaration and affidavit and by request for judicial notice without testimony or cross-examination, except as allowed in the Court's discretion for good cause shown.]

(b) **CONTEMPT HEARING**

1. If a party cited for contempt appears without an attorney, one continuance normally will be granted to permit the citee to retain counsel.
2. If the citee claims to be indigent, the citee will be ordered to fill out an application for a determination of indigency. If citee is found to be indigent, an attorney shall be appointed to represent the citee.
3. The citee will be ordered to be present at the time and date set for the continued hearing, thus avoiding further service.
4. In all contempt proceedings, a specific order of proof is preferred. First, the moving party shall introduce in evidence the prior order of the Court (by judicial notice or otherwise) which order was in full force and effect at the time of the alleged contempt. Second, the moving party shall establish that the opposing party had notice of that order. Third, the moving party shall proceed to establish the violation of that order, and the willfulness of that violation.
5. As to contempt for failure to pay child support, parties and their attorneys, if represented, are expected to be familiar with CCP §1209.5.
6. The moving party and their attorney, if represented, shall be thoroughly prepared to present all required evidence clearly and expeditiously, without calling the citee to testify.
7. After the contempt hearing, it shall be the responsibility of the moving party to prepare an Order for the signature of the Court, setting forth the findings and orders of the Court. Such an Order will be submitted directly to the Court, without approval as to form and content by the self represented litigant. If the responding party is represented by counsel, it shall be submitted to counsel for approval.
8. The party or attorney preparing the Order After Hearing must set forth all findings of the Court including factual findings of the existence and current validity of a described Order, knowledge of the contemtor of that order, the violation of that Order, and the willfulness of that violation. Thereafter there shall be set forth the Orders of the Court

with regard to the finding of contempt, and the sentencing. No contempt Order will be signed by the Court without compliance with the foregoing.

9. After a finding of contempt and sentencing thereon, there is no Court policy that a stay of execution will be granted. Counsel are expected to advise their clients of this fact in advance of the court hearing.

10. In appropriate cases, the Court may permit a continuance of sentencing to assure compliance with Court orders.

11. If the citee fails to appear for hearing after proper service and proof being made thereof, the matter will proceed to hearing in the citee's absence. *(Effective date 7-1-90, as amended 1-1-04, renumbered 1-1-04)*

16.11 DISCOVERY *(Effective date 7-1-90, renumbered 1-1-04)*

(a) GENERAL POLICY. Counsel are encouraged to participate in informal discovery in order to conserve the financial resources of the parties. In appropriate cases, upon request from either party or upon its own motion, the Court may adopt a discovery plan that is tailored to the issues of the case and to the financial resources of the parties.

(b) DEPOSITION RULE. To encourage full preparation by counsel for hearings concerning temporary relief as well as at the trial of the case on the merits and to conserve the financial resources whenever possible, it is the policy of the Court to interpret the one deposition rule found in CCP §2025 (t) as permitting the taking of a bifurcated deposition in family law cases. Where deposing counsel so desires, a party may be required to appear for a deposition concerning those issues raised by an application for temporary relief (e.g. temporary support, injunctive orders, etc.) and that party may be required thereafter to submit to the resumption of his/her deposition on issues concerning the ultimate merits of the case. Similarly, where issues in the case are bifurcated, (e.g., a separate trial on custody), the deposition of a party may be similarly bifurcated and limited to those issues then pending before the Court if deposing counsel so elects. Whenever deposing counsel elects to conduct a deposition of a party in a bifurcated fashion, [s]he shall make such intention known in the Notice of Deposition and at the beginning of the deposition by stating same on the record.

(c) DISCOVERY DISPUTES. Discovery disputes shall be resolved pursuant to LR §2.14. *(Effective date 7-1-90, renumbered 1-1-04)*

2. Temporary spousal support shall be determined by application of the “Santa Clara” support schedule, unless the Court, in its discretion determines not to follow the support schedule.
3. If it is contended by either party that the Guideline support is inappropriate, the declaration supporting such contention shall set forth the party's amount alleged to be proper. Such declaration shall include any reasons or justifications urged by the party for varying from the Guideline support. The reasons and justifications cited by the party must be within the limitations of Family Code §4057. If any party is disabled, unemployed, retired or incarcerated, all pertinent facts shall be set forth in the

2. Evidentiary hearings on family law matters with time requirements of 20 minutes or less will be heard on the Order to Show Cause Calendar. Evidentiary hearings with time requirements in excess of 20 minutes will be set on TRAC (Trial Readiness and Assignment Calendar) from the Order to Show Cause Calendar.

3. Family Law Trials will be set for trial from the TRAC. A matter is placed on the TRAC by filing an At-Issue Memorandum. A matter will normally be placed on a TRAC within 90 days of the filing of the At-Issue Memorandum and will be set for trial within the four weeks following the TRAC.

4. Short Cause Hearing, Long Cause Hearing and Trial defined:

(a) Short cause hearings – 20 minutes or less on the Order to Show Cause/Notice of Motion Calendar allowed at the discretion of the judge on the Tuesday and Thursday calendars on the pleadings and declarations filed. If no responsive declaration is filed and proof of service is on file showing timely service the court will consider not allowing a response at the hearing and/or awarding immediate attorney's fees to the moving party.

(b) Long cause hearings – hearings longer than 20 minutes allowed at the discretion of the judge from the short cause hearing calendar. These are NOT trials and result in temporary orders, pending final resolution of the matter or the filing of an At-Issue Memorandum.

These evidentiary long cause matters are limited to: the pleadings filed in the moving and responding papers, unless live testimony is allowed in the Court's discretion for good cause shown. Unless there is a Notice of Live Testimony filed or unless the court appointed expert is called, no other experts or witnesses will be allowed to testify at a long cause hearing. The Notice of Live Testimony should state the witnesses' name, telephone number, address and the nature of their testimony.

The parties are required to file, within one day of the TRAC, a Statement of Issues and Contentions prior to the TRAC calendar or the party will be restricted to the four walls of the pleadings filed by both parties and the Statement of Issues and Contentions filed by opposing party.

Hearing briefs shall be filed five (5) court days prior to the hearing date. Witness lists (expert and otherwise appearing pursuant to Notice of Live Testimony) shall be provided no later than five (5) days prior to the long cause hearing. Exhibit lists shall be exchanged no later than five (5) days before the long cause hearing.

(c) Trials (of any length) – cases where AT-Issue Memorandums have been filed with the Statement of Issues and Contentions with attached documents with the court and opposing party or counsel, if represented.

Parties shall exchange legible copies of all exhibits the party reasonably anticipates will be introduced at trial. Only disclosed exhibits will be permitted to be offered at trial, except for good cause shown. The parties are encouraged to have their exhibits premarked. (g) A complete set of attorney's bills and statements to date, if attorneys fees are in issue.

2. The filing party shall serve the Final Trial Papers on the other parties in a manner to assure actual delivery to the other parties no later than five (5) court days before the trial (mailing 5 days before trial is not compliance).

4. Meet and Confer Statement: Each party (or their attorney, if represented) is required to file a declaration that they in fact met and conferred in an attempt to settle any and all issues prior to trial. If the meet and confer effort resolves issues, the parties shall so note in their Supplemental Statement of Issues and Contentions.

D. CONTINUANCE

1. Except as set forth below, no case shall be continued from the TRAC except upon an affirmative showing of good cause, such as unavoidable unavailability of a party, attorney, or essential witness.

2. At the request of both parties, the Court may continue a case from the TRAC one time to a subsequent TRAC for purposes of potential settlement in any of the following ways:

a. Referral of a matter with a time estimate in excess of one day for a mandatory settlement conference.

b. Referral of other matters for a voluntary settlement conference, by stipulation of all parties.

c. A joint request by all parties based upon their representation that they will conduct an informal settlement procedure (such as a meeting of all parties and attorneys) and that they believe there is a reasonable likelihood that some or all of the issues will be resolved.

d. Attendance by all parties and counsel at a settlement conference or informal settlement meeting is mandatory. Failure to attend and be prepared for any settlement conference or meeting may constitute sufficient cause for imposition of sanctions pursuant to California law, including, but not limited to, CCP §575.2 and CRC §227.

3. Should parties wish a continuance from the TRAC calendar other than to pursue a settlement (See #2 above) they must provide a written stipulation to that effect to the court at least five (5) days prior to the TRAC calendar. If only one party wishes a matter continued, that party has the burden of showing good cause why the matter should be continued which the Court in its discretion may grant or deny. Continuances are looked upon with disfavor.

E. RESERVED

F. CONTINUANCES FROM OSC/NOM CALENDAR

Requests for continuances are looked on with disfavor unless good cause shown and will not be granted unless good faith attempts to contact the opposing party have been made prior to the day of the hearing. Parties are encouraged to stipulate in writing to a continuance at least five (5) days prior to the hearing which is to be continued.

G. SANCTIONS FOR NON-COMPLIANCE WITH LOCAL RULES. Failure to fully comply with the foregoing rules, in the absence of good cause, may result in the other party being granted a continuance and may subject the offending party, or his or her attorney, or both, to sanctions pursuant to California law including but not limited to CRC § 227 and CCP § 575.2.

INFORMATION SHEET

GUIDELINES FOR ARBITRATORS

INTRODUCTION:

The guidelines contained herein have been approved by the Butte County Superior Court for use by arbitrators in proceedings ordered by the Court or pursuant to stipulation. The guidelines are necessarily general in nature.

PURPOSE:

The guidelines are to be used in assisting the arbitrator in discharging the arbitrator's duties. For specific questions, you should refer to the California Code of Civil Procedure (CCP) § 1141, the California Rules of Court (CRC) §§ 1600 through 1617, and the Local Rules (LR) of the Butte County Superior Court.

POWERS / RIGHTS:

The arbitrator can hold a hearing within specific time limits [CRC § 1611]. The arbitrator may agree to a stipulated continuance also within strict time limits [CRC § 1607]. The arbitrator may administer oaths or affirmations, take adjournments, accept deposition testimony, accept other evidence pursuant to CRC §1613, examine tangible evidence, receive into evidence expert reports, rule on admissibility and relevancy of evidence, decide law and facts of the case and make an award accordingly and award costs not to exceed statutory costs [CRC § 1614].

The arbitrator is entitled to \$150.00 compensation for each case. On a verified ex parte application showing good cause, an arbitrator may receive more than \$150.00 compensation for each case if there was unusual difficulty or duration. Consideration will be given to the number of continuances, notices, research, and issues decided. No compensation will be allowed if the matter was only set for hearing. Partial compensation may be allowed if the case is settled [CRC § 1608].

OBLIGATIONS:

An arbitrator must disqualify himself or herself and notify the administrator if there is a conflict of interest [CRC § 1606]. If there is no conflict of interest, the arbitrator must arrange or set the hearing for a date certain within 60 days from the date of the assignment of the case to the arbitrator [CRC § 1611]. If the hearing date is continued, it shall not be continued to a date later than 90 days after assignment of case to the arbitrator except by order of the Court on motion of a party [CRC § 1607(c)]. In the event there are any difficulties in meeting the above obligations, the arbitrator shall advise the Court in writing. Within 15 days after appointment of the arbitrator, the arbitrator shall notify each party and the administrator in writing of the date, time, and place of the arbitration hearing [CRC § 1605(a)].

The arbitrator's notice to the parties and the administrator of the hearing time, date, and place shall be given at least 30 days prior to the date set for the arbitration hearing [CRC § 1611].

After conducting the hearing, the arbitrator shall decide all issues properly raised by the pleadings including damages and costs, if appropriate, specifying for and against whom judgment is found using the full names of the parties as set forth in the pleadings [CRC § 1614]. The arbitrator shall file a written award within ten (10) days after conclusion of the arbitration hearing with proof of service on each party to the arbitration and to the administrator [CRC § 1615(b)]. The arbitrator may apply for and receive an extension of time from the Court to allow an additional 20 days for the filing and service of the award if the case was of unusual length or complexity [CRC § 1615(b)]. At the time the award is filed, the arbitrator may file a voucher requesting payment of the arbitrator's fees. Failure to file a voucher with the filing of the award constitutes a waiver of the arbitrator's compensation.

If the case assigned to the arbitrator is settled, the parties shall notify the arbitrator and the arbitration administrator of the settlement. Before any case is heard and decided by an arbitrator, the arbitrator must file an oath with the arbitration administrator's office to justly try all matters submitted to the arbitrator.

PROCEDURE:

Upon appointment as an arbitrator, the arbitrator shall communicate with the parties or the parties' counsel and arrange for the setting of an arbitration hearing. Only procedural matters may be discussed with the parties' counsel [CRC § 1609]. The arbitrator then serves a written notice of the date, time, and place of the arbitration hearing on all parties or their counsel and on the arbitration administrator in accordance with the obligations set forth above. The arbitrator shall conduct the hearing, giving each party and their counsel an opportunity to present any and all relevant evidence subject to CRC § 1613. At the conclusion of the hearing, the arbitrator shall make its decision in accordance with the obligations above.

The arbitrator is not required to make findings of fact or conclusions of law. Any settlement offers are not to be disclosed to the arbitrator [CRC § 1609]. If a party defaults, sufficient evidence must be taken to justify any award made by the arbitrator [CRC § 1610(b)]. Stenographers, court reporters, and recording devices are not permitted at the hearing [CRC § 1614(b)]. Law and motion matters are reserved to the Court [CRC § 1614]. Court files are not permitted to be removed from the Court.

EVIDENCE:

All evidence is to be taken in the presence of the arbitrator and all parties except where a party has waived the right to be present or is absent after due notice for the hearing [CRC § 1613(a)].

The rules of evidence governing civil actions apply except:

1. The arbitrator shall receive into evidence, if copies have been delivered to all opposing parties at least 20 days prior to the hearing, written reports of any expert witness, medical bills and records, documentary evidence of loss of income, property damage repair bills or estimates, and relevant police reports [CRC § 1613(b)].

- a. Witnesses may be subpoenaed for cross-examination. Repair estimates shall be accompanied by a statement indicating if the property was repaired. The arbitrator shall not consider a police report opinion as to fault.
 2. Written statements of witnesses shall be received into evidence if: (1) they are made by affidavit or declaration, (2) copies have been delivered to all opposing parties at least 20 days prior to the hearing, and (3) no party has timely made written demand that the witness be produced in person at the hearing. Matters in the statement which are otherwise inadmissible if the witness were testifying in person are still inadmissible.
 3. Deposition transcripts shall be received into evidence but are subject to objections under CCP § 2016(e) if (1) deposition was properly taken, and (2) notice of intention to offer the deposition was delivered to all opposing parties at least 20 days prior to the hearing.
- Delivery of a document may be by mail pursuant to CCP § 1013 or by manual delivery. If mailed, the time for delivery of documents, notices, and demands is increased by five (5) days.
- Subpoenas are available to compel attendance of witnesses. Failure to attend pursuant to lawful subpoena may be grounds for an adjournment or continuance of the hearing [CRC § 1613(c)].

CONTINUANCES:

Continuances may be accomplished by stipulation, but in no event may an arbitration hearing be continued to a date later than 90 days after assignment of the case to the arbitrator, except by order of the Court [CRC § 1607(c)].

DECISION:

The award of the arbitrator must be filed in the format provided by the Court within ten (10) days after the conclusion of the arbitration hearing. At the time of the filing of the award, the arbitrator is to serve on all parties or their counsel a copy of the arbitration award and file with the award a proof of service of the award on each party.

EFFECT OF DECISION:

Any party, within 30 days after the arbitration award is filed, may request a trial de novo. The 30 days time period may not be extended [CRC § 1616].

ARBITRATOR'S COMPENSATION:

For Court-ordered arbitration, the arbitrator is entitled to \$150.00 per case or \$150.00 per day, whichever is greater, as compensation for the arbitrator's services [CCP § 1141.18]. A compensation statement voucher provided by the arbitration administrator's office shall be submitted to the arbitration administrator upon the filing of the award and shall set forth the title and number of the cause arbitrated, the date of the arbitration hearing, and the date of filing of the award or notice of settlement. Failure to timely file the voucher constitutes a waiver of compensation.
